

Dunbar Day Centre Newsletter June 2024

Day Centre News

- **The weather has not been very summer like for June! The end of July looks promising though, a small reminder that if it is sunny please bring a hat so we can spend time outdoors.**
- **Finally, after what feels like an eternity, our very own bus arrived! It looks great and everyone will know who we are when we drive past. We are hopefully going to be using the bus from the start of August, all being well!**
- **Entertainment in June - we had Davie Strang with his accordion, Stewart Glass with his guitar and singing, Raymond Williams singing and Tony the Pianoman with his music quiz. We also had around 25 children from Belhaven Hill Private school. They came in and played dominoes and bingo! They then put on a show for us, there was some singing and playing musical instruments. It was a wonderful day, and we hope they visit us again soon!**
- **Do you know anyone who has a head for figures and knows their way around accounts? The trustees are looking for a volunteer Treasurer to join them. Contact the Day Centre for more info.**
- **We are trying to brighten up our garden, if you have any spare plants or cuttings you would like to donate we would be very grateful!**

Staffing Updates

- **Davy Hannan started with us on the 10th June as a support worker, he's settling in well, getting to know everyone and learning how the day works.**
- **We now also have our own bus driver! For the month of July, he will be learning the routes and meeting everyone before we start using our new bus. It's all very exciting!**

Outreach News

- **For a trial period covering July, August and September 2024, users of the Outreach service will not have to pay for the first 40 miles of travel in each calendar month. Each month is discrete, and mileage cannot be rolled over from one month to another. Mileage each calendar month above 40 miles will continue to be invoiced in the normal way and charged at the current rate of 45p per mile.**
