

Dunbar Day Centre Newsletter February 2025

Day Centre News

- **The days are getting longer, spring is not far away!**
- **An important announcement! The Day Centre will be CLOSED on Friday the 18th of April and Monday the 21st of April, this is Good Friday and easter Monday. This is to allow our staff to have time off with their families.**
- **We have had Kenny and Norma singing, Stewart Glass with his guitar and singing, Glenkinchie singing and playing musical instruments and Tomas Wales singing, all in a month! Lots of singing and dancing, lots of fun. We hope you all enjoyed the new entertainers.**
- **Bethan, the Chiropodist will be in the Day Centre on Tuesday 11th of March at 1030am.**
- **We were delighted to receive a grant from Tyne and Esk Rural Communities development fund. This helped pay for the entertainers we had in January and February, and we were also able to purchase new PC's for the office.**
- **We are looking forward to having the outside of the Day Centre painted this month, weather permitting! The dining room will also be painted then.**

Outreach News

- **Helena started with us on Monday the 3rd of March, she has been out on a couple of Outreach visits and spent some time in the Day Centre. We are hoping to have the Outreach back to normal soon! We will be in touch with you individually if there are to be any changes.**
- **We also advertised for a cleaner, closing date is 7/3/25.**

Members Information

- **Only one birthday in February, and it was a special one! Of course, we celebrated with cake and sang happy birthday.**
- **As more people attend the Day Centre it means we must do 2 bus runs as we can't fit everyone on at one time! This can then affect your pick up or drop off time, we try to keep everyone to the same route but sometimes things have to be changed at short notice. Please be patient with us when doing the drop off, we aim to drop off the same order that we pick up, if you need to be home sooner then please let us know.**

Thank you for your continued support. Enquiries can be made to:
